

Welsh Capital Masters Swim Meet Saturday April 9th 2005 ...Results Service...

in association with:

Dear Swimmer,

Thank you for taking part in the fifth
Welsh Capital Masters Swim Meet.

This year there was participation from ninety plus competitors, from about 18 clubs, which led to a good standard of competition at all levels.

Numbers from previous years were down due to a competition calendar clash, for which we apologize. Teething problems with the new Welsh licensing procedures and competition calendar meant it was necessary to move from the original date to the next best option... These problems should now have been ironed out and many of the swimmers effected promised to return next year.

Never the less, the standard of participation was both high and enthusiastic. And we hope enjoyable to all.

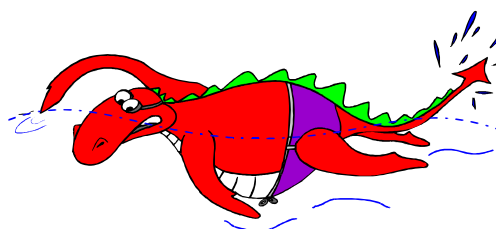

As usual, we have a one, maybe two, tee-shirts left from the event, if you would like to purchase one of these eye catching items, please contact us for availability.

If you enjoyed the event we hope you will spread the word and will return for 2006's event. Please check the appropriate web sites in the near future for the date and make it an event in your club's calendars.

Thank you to all who helped out at the event. Those who have run one, will know that it doesn't all just happen by magic, but by volunteers who give up their time. We thank you all.

Again, many thanks for your participation and if you have any comments or suggestions on the gala, please feel free to let us know.
